WHAT WE HAVE ACHIEVED

HHIA advocated and succeeded in the following:

- Power poles once lining Hacienda Blvd. removed and service placed underground.
- The new Community Center funded in part by fees collected during operation of the Puente Hills Landfill (fees were a HHIA suggestion).
- Landscaped medians along Hacienda Blvd and vines in the parkways from Halliburton to the Pomona (CA 60) Freeway Bridge.
- Foliage and vines in parkways of Stimson Avenue from Haliburton to the Pomona Freeway.
- Sound walls on both sides of the Pomona Freeway to protect residents from noise and pollution.
- Help defeat a proposal to build dedicated truck lanes adjacent to the Pomona Freeway.
- Participated in the Hacienda Heights Community Plan which guides development in our unincorporated community.
- Agreement with the City of Industry to limit adult clubs to the interior of their city away from Hacienda Heights boundaries.
- Instrumental in the October 31, 2013 closure of the Puente Hills Landfill.
- Advocated for more parks in Hacienda Heights including a Dog Park.
- Restoration, maintenance and increased use of the Puente Hills for recreation, hiking and biking.
